Re: *Kimberly-Clark Worldwide, Inc. et al v. First Quality Baby Products, LLC, et al.*
Case No. 10-cv-01118

Dear Judge Griesbach:

Given the serious nature of First Quality's pending motion for sanctions, K-C requests that the Court hold an oral argument, prior to ruling on the motion, to allow K-C to respond to First Quality's arguments in its reply brief, including the expansion of its argument that First Quality is allegedly practicing the prior art. A hearing will permit the parties to more fully explain their positions for this potentially dispositive motion, and answer any questions the Court may have. K-C is available to participate at the Court's convenience.

Respectfully submitted,

s/ Marc S. Cooperman
